DragonSniperHow do people move and jump around and STILL get a HS(head shot) on oyu and kill you???? I've tried jumping and moving around alot and trying to shoot the enemy but i never kill him and usually dont ever hit him. Also should i use ONLY the keyboard or bothe keyboard and mouse?? Any comments,tips, or strategies would be great!!

HOW DO PEOPLE MOVE AND JUMP AROUND AND STILL GET HS? The answer to this is skill. Practice Practice Practice its possible i do it all the time because i practice practice practice skill skill. after time you know where to aim for the head at and where the head is when someone jumps the height that kinda thing
