Anthrax stfu you were gone WAY before he ever came around. Plus, no one cares what you think.

Seriously though, I wasn't aware he even existed until he got banned at Exodus... and THEN he went to n00bstories. So I have no god damn clue how you could have called him that far back. He didn't always used to be bad. Back when he was just shadow/FMshadow years ago, he was pretty fairplay and a decent sort.
