reborn wrote on Fri, 13 August 2010 16:02It's great to see some news come out of this forum, well done Dan Paul.

Just to clarify, whilst I posted the documentation and provided a bit of help with the network stuff I did not do the bulk of the work on the TCP logging, you have jonwil to thank for that (I would have done it had I not been so busy with RL stuff).

Don't want anyone to think I am claiming credit for work I didn't do
