LOL... sorry, but I'm not out for glory. There are many people I could beat. But just because thats the case doesn't mean that I'm going to go challenge them.

Sorry, I play for fun, not for glory. This is just a game after all. Had he asked in a nice way, with no hidden agenda in mind in the first place, I would of had no problem with accepting a challenge, win or lose. Oh, and the hidden agenda I'm talking about is the typical "I beat you n00b, you suck" et cetera if he did win.

Edit:

x50c3ntLMAO! Omg gg, i win, no rematch.

My point proven.

There has been no match, so how is this possible in the first place?
