i would like to add that wyld1 is like 40 years old, was in a gsa clan with lots of hicks from maine that had USA in their names and posts in bold ha!

Why John, I'm flattered you followed my Ren career and you give my posts any attention. I never expected even hitman to give it a thought much less a reply. You have twice now! You wanna have sex or something? You have to bring me cookies m8.

Hey don't knock bold it is beautiful!

And excuse me 39 and I still play basketball 4 times a week with 20-somethings and kicking their asses. Age means nothing.

But please, this is best playa thread, we don't want to hijack it with whatever your issues are with me replying. lol
