Generalcamo wrote on Tue, 07 December 2010 18:44Which scripts are usable for this purpose? And do they require a new model?
The mode require new 3D models (Not saying any will look good, the PLECOS 'schools' are 25 2D PLECOS images each). And as almost all RP2 scripts they are being made from scratch on demand (IE I'm not done with them yet but expect to have several thousand new lines of code before it is done).
