It's the time of year again!

ReneGame is an annual event dedicated to celebrating the birthday of Command & Conquer: Renegade. The original game was released on February 26th, 2002, and will be turning 9 years old later this month.

To celebrate, Totem Arts and MP-Gaming will be hosting this year's ReneGame on Renegade X v.0.55 for Unreal Tournament 3. The game will take place on Saturday, February 26th, at 3:00pm Eastern Standard Time (GMT -5).

Required:

1. Unreal Tournament 3
2. "Renegade X" Version 0.55: Command & Conquer Renegade remade on the Unreal Engine 3.

For more information, visit the official Renegade X website.
