GEORGE ZIMMER wrote on Fri, 18 February 2011 16:46Altzan wrote on Fri, 18 February 2011 14:12I'm just curious... is this thread a rant against FOX protesting the game? Why's that so terrible?

Because clearly, a video game deserves media attention due it being horribly violent. How could the parents know that a game called "Bulletstorm" with an M rating could be something they don't want their kids to see?! Honestly, it's not their fault!

Eh.

Reminds me of when I was in walmart and a 9-year-old nearly convinced his mother to buy him Grand Theft Auto 4.

They're out there.
