IceSword7tdraptorDave was not the one whom banned you, it was foenixz. For reasons I'm sure you are well aware of.

So until Foenixz lifts your ban, if he does, I will not interfere.

We have a rule there, that the person whom does the banning also lifts it. No one interfere.

thats bull because i did not do anything to deserve a ban.

Do you say that every time you get kicked/Banned from a server?
