AircraftkillerMaybe if you people spent less time patting yourselves on the ass for every little thing you do, you might actually get something finished... hmm.

dude, ur 100% correct, but the reason why tib evo members havnt really got much done is because of school and a busy life.

but we'll probubly be finished x13 by end of september, and than all we have to do is add more stuff and we got teh next version
