i'll just quote his topic.

Well Caveman i think the black letters have something to do with the missing shaders since my hud is based on the shaders but idk..
oh and i hate that you have to use wol to join...(my wol is fucked up <.<)

gimme a sec ill switch directories...
edit :
REN on 3.4.4.+ RR
http://www7.pic-upload.de/10.09.11/86r9t6z6y2vg.png

REN on 4.0
http://www7.pic-upload.de/10.09.11/8hgzh95hsh6v.png

As you can see my custom hud is crap now... because it doesnt even show the time & credits..
