How's the wife and kids mate?

P.s: I was also known by D1shadow,shadowprime, Shad00w in RenCom. To avoid confusion. JUST WHEN I THOUGHT YOU COULDN'T SINK ANY FURTHER... Be ashamed Azazel, for defending this culprit.

I haven't seen any concrete evidence of him doing anything ban-worthy tbh.

Defending the culprit? As I said, I don't know what's went on exactly, but the lies about him can't possibly be true. He's in his 40's and has a wife and children. He acted very maturely in RenCom and never once had any issues at that server for several years, you can state what you want as long as you can back up your claims.

So you're stating that you don't know anything about what he has done, but "the lies about him can't possibly be true"? I like how you're not informed about the subject at all except for his flawed statement; but you're certain about your case. Nice one

I know what has happened and what has been going on. I know what he did, but I'm not releasing any of that shit because what he has done goes beyond these forums and Renegade as a whole, and I don't want to say shit that others (especially Wilo) doesn't want released because of the personal nature of this.
