I think that's incredibly mature of you to do. As long as your moderators keep the those terms, I don't foresee any problem.

Simon, I really urge you to just drop the matter my friend, please just try to forget about the past and move on and enjoy Renegade for a bit. A game is for enjoyment not all this drama mate.

For your own sake, please just try and move on, I know it might be hard, but you've gotta try. I previously said I wouldn't post in this topic, because I was horrified of what I had heard, but I realise that people can and will change so I hope you can move on from this Simon.

Take care.
