Quote:<Jarhead> hey fuck you andrew....
<andr3w282> lol
<Jarhead> you are piss poor example as an adming here
<jimmyny> even tho i dont particulary like some of the names people use, its hardly worse than banning people who clearly dont cheat and/or personally attcking people on the forum when the posts they make arnt agreed with

This was when some of the mods and admins were using nicks, andrew used TUB OF TITS or something. Jarhead said that stuff in a public channel btw, and jimmyny is referring to jarhead harrassing people on the mod forums for disagreeing with him.

@n00bsvr01 ¦ Jarhead57: suspicious to say the least 9mm

Later jarhead found out that 9mm was in fact the mod ilonaus, using an alias. And started insulting him and threatning him in pms.

Quote:(@andr3w282) i almost just quoted that and replied "or be like jarhead and ban with 0 evidence"

This should be obvious enough

(@Cunin) uh?

(nikki6ixx[AFK]) He made a post about some 'Living Will' joke

(nikki6ixx[AFK]) Then I responded with a link to the same joke that he did back in January.
(nikki6ixx[AFK]) And then he edited my post saying that the people were different.

(nikki6ixx[AFK]) SOMEONE EDITED MY FIRST POST.
(nikki6ixx[AFK]) And I called them out on it, and then they deleted the thread
