Learn to read you dumb bitch, I'll point it out for you:

1. You need to change the rules of conduct first. Which you haven't done.
2. Changes that have to be made because of UNANTICIPATED actions can be in effect immediately. Only those.
3. Positng on behalf of a banned user earns you a warning at first, which didn't happen yet.

Considering you don't seem to care a fuck about randomly banning people Spoony-style, why have the rules of conduct in the first place?

Also it's pretty sad you're denying hacking Exodus and stealing Devitto's S2 forum nick or whatever it was.

I still haven't seen any evidence of MUDKIPS UDP flooding n00bstories server, but please show me the packet logs.

Wow, are you mentally retarded? I'm certain that you're troop on a smurf name. You need to learn to read the full topic not Crimson.

@mudkipz like yourself I worked alongside jarhead, but unlike you I didn't purposely piss him off like you. Only NS staff can really state what hes actually like tbh, everyone else is jus guessing.

Move on mudkipz, its for the best. Try an grow up a bit though for your own sake.
