Exactly my point, you don't even understand what I'm saying. I've made it obvious to anyone who can think beyond simplistic terms. I'll lay it out for you.

You posted something I disagreed with.

I posted my disagreement.

You posted "it's just my opinion", essentially.

I posted that I know it's your opinion by virtue of you being the person that posted it, and that you aren't defending what you think by saying "it's my opinion".

Get it now?
