MarkFri you know how you download a mod and it says c130\_scripts what do you do after that i have the c130 drop editor i don't know if you need that but can you please help me out.

MarkFri

Um, MarkFri, if you didnt realise it, that is Gizbotvas Avatar, if you want your own custom avatar, please dont use the ones that we put work into, Create your own, and give the link to it to Crimson on IRC.
