Subject: Clan Center staff openings
Posted by zerk on Wed, 10 Sep 2003 00:03:03 GMT

SS217I'll do some PHP work if you need me, I'm not on a lot though, school is consuming my life. :<

What I want is rather emense. I want to get a site hit up that clan sites can put on there site and it will be a rating. The more hits you get, the higher your rank is. So ya, if you have time for that let me know!
