U are banning Players for less then that cuz u have no clue what to do as a *Moderator*. idk dude, you act in a pretty suspicious manner concerning 4.0 even if you don't cheat you do a good job of looking like you have something to hide i don't blame him for forcing 4.0 on you in the slightest

you're accusing him of banning someone for evading a 4.0 ban, which seems to me to be more than just using a pink med skin

you do a very good job of lying or being intentionally dishonest

here's a randomly stupid picture so it can be an authentic DJ post
