ELiT3FLyR wrote on Mon, 23 April 2012 18:49a casual player will never beat a competitive player in a competitive enviroment, ie clanwars, but that doesnt mean u wont outplay them in a casual enviroment (pub servers).

those games vs OS were just casual for most of the clanwar players which goes a long way in explaining why after killing the ref on canyon 7/10 people bought havocs and went tunnel. Im sure the result would have been different if someone at the time had said that 5 years later those games would be used to judge the skill level of clanwars.

Shut it
