liquidv2 wrote on Sat, 09 June 2012 13:14i know grammar; i choose not to use it seems too formal on the internets
Wallworld, however, has coconuts in his head where the basic grammar rules should be

you should make him in charge of a modding team, he seems really smart!
Wake the fuck up and pay the fuck attention to detail dip shit. Wow it is like talking to a brick wall.
No wonder you were banned from the community you helped create.
