ehhh wrote on Mon, 25 June 2012 15:55not even anyone has dumb as shadow would use ie

glances at IE logo in corner of browser window

err... yeah...

(Seriously, IE9 and IE10 are leaps and bounds better than the days of IE6/7. The most recent versions of IE are actually pretty decent and free of a lot of the bloat and whatnot that bog down other browsers like Chrome and Firefox.)
