## Subject: Re: Crashing on Volcano
Posted by StealthEye on Fri, 29 Jun 2012 21:29:49 GMT

Could you please test whether this happens every time? Are you sure it's related to Volcano? (because that sounds weird to me) It would be great if we had a way to reproduce this issue where no crashdumps are generated, because without them we really can't tell what's going on. :\
