Rocko wrote on Tue, 03 July 2012 20:41 I love HON. Playing the game close up in 3rd person seems strange but after looking at those videos you posted it seems like it could be a lot of fun.

If you could send me an invite I would appreciate it. Thank you.

By the way, which MOBA do you play?

Key sent.

I play LoL most of the time, but i've been playing smite on and off, since beta.

I bought HoN but kinda stopped playing it after a while, I probably should boot it up to see if they've fixed the bugs that used to plague the game, the lag used to be awful.
