LIES! WE NEVER DID!

Oh,yes,the Rencom offensive Mode,pretty much the best idea back the days then,no other had it and it was so much fun. Then xpert took this idea and used it on Atomix. Unfort. the us ppl never liked it,they are more into the 6 hours non-stop-mara playing as u can see in jelly.

But hey,who knows,those days with off. mode might come back 1 day
