Ethenal wrote on Wed, 29 August 2012 00:15Yeah, we also don't ban on sight for R-G-H 5.0. Now that I think about it, I guess Jelly really IS going down the toilet...

The only reason your guys' morals are the way they are, is iRaN makes you plugins. Unless you're all just a bunch of retards and don't notice how pissy your players get over that spam. Either sounds viable, coming from those of you who like it here.
