Jesus christ.. RC worst server ever

So you're saying the current modifications for the Rencorner server is shite? Interestingly enough, that is Xpert's.

You're a clanwar nerd, of course you're going to hate it.

What? I've played on cw.cc about what..5 times? You know fuck all about me so politely keep quiet.

And you misunderstand, i was referring to the moronic post by one of your moderators.
