No he used his computer, just super advanced graphics shaders!!!!11!!

Also, looks like google forgot how to count:

There should be at least one for Iran's previous click I'd think.

The image shows a YouTube video player interface. At the top, the video title is "renegade antics". Below the title are buttons for "Saxofoonreed", a "+ Subscribe" button, and "71 videos". The video player itself shows a first-person perspective of a game character in a dark environment. The character is holding a green weapon. In the background, there are some UI elements like "001" and "Credits: 12000". Below the video player is a control bar with a play/pause button, a volume icon, and a progress bar showing "0:08 / 4:08". Below the control bar are buttons for "Like", "Add to", "Share", and a flag icon. On the right side of the control bar, there is a "0 views" counter and a "Like" button, which is highlighted with a red rectangular box.
