you have a few that learn to play in it (yourself, Spooky, TilDeTh, Wrs, ZeLL, etc.), but the majority of them just kind of sucked or were average  
even simpee doesn't do much in big games lol  
they just kind of run around with ramjets a lot  
or try solo apc rushes or do nerdy things on their own that never works because there's more than 3 players on the other team

if they have the capacity to do better it doesn't show

seems too much of a coincidence to me

Yeah you're right, clanwar players are fucking terrible.

When the server is full, ask the players who they think the players are and post it on the forums, I'll tell you how many of them have a clanwar/funwar history.
