OMG SPOONYS ANGRY, whatever you like hitman, anything to distract from the fact you tried a really pathetic lie to prove a really pathetic non-point and it didnt work

if you arent gonna take the advice of just stop posting once you're behind, you might at least try taking the advice of trying to be a bit more honest; it aint my fault you made a colossal fool of yourself here, quit trying to dig your way out of it and just shut up

---
