ehhh wrote on Fri, 12 October 2012 09:39joejj is a mod now, everytime you talk to anyone, he tends to but in, likes to start arguments, then mutes you

lol

yeah think I seen that guy... he got pritty angry other day as I asked how he snipe me throu a hill . and he actualy help on the that convo for days even in other servers he brought it up .
