you're too stupid to understand what's going on lol

why are you so mad, aside from the fact that you're banned from my community for being a piece of shit

I think we can at least agree that Good-One-Driver is firmly incapable of forming a coherent thought that he can claim to all his own. All he seems to do here is say "!!o!! JUMP ON IFAG'S DICK MOAR!" and "I AGREE WITH THESE OTHER PEOPLE THAT HAVE RIDICULOUSLY STUPID OPINIONS".

I like how shaitan didn't reply to this topic until liquid correctly stated that he was the first one insulting other people's employment, and then of course goes on to insult your own employment again
