Good-One-Driver wrote on Sun, 21 October 2012 16:00lol yeah and that was back in 2009 dipshit now I am making anti cheats and maps.

Is what why on renegadeskins.net, pretty much everytime you submit something, you have emitters on your c4s in the "skin preview ss".

E.g. you Submit a skin for "bloom water" in January 2011, but you have c4 emitters on? Why? You claimed to have stopped using and producing them in 2009.
