nah, public's funnier

it was a day or so before christmas... maybe a year or two ago. one of the religion conversations on jelly, can't remember which one and it doesn't matter, but you said "i can't believe spoony seriously thinks the bible is the word of god, what a dumbass" or something to that effect.

which, ljbh, might just be the dumbest thing a theist has ever said to an atheist... i said so, and you said i must have been abused as a child or something cos that's the only reason anyone could be an atheist

i suppose maybe you weren't freaking out and this bollock-brained bigotry is your usual mental state, but you don't look good either way tbh. anyway i hope you had a good christmas that year
