I remember you Anthrax, you're fucking famous too. You were bawling on Teamspeak because your Facebook was stolen and deleted. The best part was that sliver of hope you were given("relax, your emails are fine"), but that was a lie.

You are certainly upping your reputation in doing so, too.....sigh. Maybe there is more beh

It's not just the facebook, he deleted three of my e-mail accounts that I need for my colle

But if he doesn't give it back by 10 PM CST tonight... yeah.

Facebook is 6 years old, you have had it since you were in eighth grade (11-12 years old), grown up, and much more mature than me, when i happen to be 17 years old as well.

Sorry, but i have never laughed so hard in my life. Thanks for that.

Somehow i highly doubt Xpert's intentions were to keep them permanently deleted in the is so much better than making a huge scene here. If he has "12 hours" to return the pass

Just yesterday you were down on your knees. Now you're back to the stupid ass that you were as a child. Relax, your emails are fine, and I really don't care what's in them nor do I bother reading them.

I told you numerous times to not cross me. You crossed me again, and now you face the consequences.

And for someone who says they're Christian. You're an embarrassment. I don't follow religion, and you act on the internet.

Have fun with your legal stuff. Facebook is serious business.
