i wouldn't look at it that way Manuel

if that's indeed where the money went, just say yours went towards the server and Trojan's went into Ani's bong

Quote:[21:59:20] <Trojan> You think people likebeing treated like shit

[21:59:22] <Trojan> no

yet it was ok when his buddies did it to someone he was co-owning a community with - that part's a bit strange to me

i think it would be good for Renegade as a whole if the issue could be settled in some way, but neither Ani nor Trojan are going to co-exist peacefully when they want different things
