I don't appreciate it at all in having my post in the other thread deliberately misconstrued, original quoted material ignored, and then passed off as a "Jewlluminati conspiracy" much to the laughter of the degenerates here. Please stop being such a lackey. You only misguide others (while making them laugh).

Your Renegade Weekly blows and is cheap degenerate entertainment for minds stuck in arrested development.

IN BRIEF

Renegade toy figure resold for slightly higher amount on Ebay;
Jewlluminati conspiracy suspected.
