The screenshot shows a dark-themed interface for a game server browser. At the top left, there is a 'Filter' button with a dropdown arrow. To the right is a search icon and a search input field. Below this is a table with two columns: 'Server Name' and 'Map'. The first row is highlighted in blue and contains 'Constructive Tyranny Marathon Server' and 'Xmountain'. The second row contains '[GGU]Renegade X[24/7]' and 'Volcano'. The third row contains 'T.O. >>> Sniper + DM-Maps <<<' and 'Sniper-VantageP'.

Server Name	Map
Constructive Tyranny Marathon Server	Xmountain
[GGU]Renegade X[24/7]	Volcano
T.O. >>> Sniper + DM-Maps <<<	Sniper-VantageP
