Adavanzelm already in alot of mods, the new TRTA (which has stopped again i think) and starwars mod which is making great progress (www.swmod.cjb.net). Well, they are cartoonish cauz the skin is made obviously from pictures off the internet, and some bits drawn by me with circle gradients - so on. I love the cartoonish affect, if you see my iron man

Lovely cartoonish affect

I want a Terminator model!
