CarlAircraftkillerThe Official Renegade Forums can be found here, where you currently are.

Stop spamming them, thank you.

If he asked for tech support related to RedHat 8 and i pointed him to redhat.com would that be spamming? no. I simply directed him to the OFFICIAL FORUM FOR THE PROGRAM HE IS USING.

Out of your 18 posts, all you've done is post about RenEvo and spam our forums.

Cut it out, kid.
