I don't know how many of you are fans of Penny Arcade, but personally, it's my favorite comic.

There's a mod based on it already in progress for Jedi Knight 2, but I think it would be a nice project to also have one for Renegade (Obviously based on something other than the cardboard tube so as to not rip that other mod off).

I'm just throwing out the idea for anyone who wants to pick up on it, I don't have the time to do it myself, but I would if I could. Post any feedback or anything you want here, but dear God, do not turn it into another "Roofgnomes" :rolleyes:.
