Subject: Can Photoshop...?
Posted by Sk8rRIMuk on Tue, 11 Mar 2003 16:57:34 GMT

LaeubiPhotoshop is very good, but very expensive too.

I would say something here but crimson will not tolerate talk of WAREZ!...

LaeubiThe Plugin works fine for both programms, so it is your own desicion.

Yes it does but it was orignally developed for photoshop or so I belive?!
