Looks like the same webpage that was up a few months ago to me. And by the way, you're supposed to be coming here for updates. There have never been any updates on the webpage.

Quote:Each piece of RenGuard is being worked on daily, and the progress is as rapid as we can make it. Sign up on the RenGuard Forums to be notified by email when RenGuard is ready for download.

That's the best you get. I am curious as to the status of this project. I've heard that you have a new guy that replaced the "motherboard problem child". ETA?
