[02:20] <brtest> Player mac|1*tC joined the game
[02:21] <brtest> Host: [BR] mac|1*tC is being kicked by BlazeRegulator for: CHEATING
[02:21] <brtest> mac|1*tC was kicked

mac just became the first cheater to be kicked by RenGuard.

(Yes I know the kick message doesn't say it)
