Yes, DO delete the topic. That has to be one of the MOST fucked up things i have ever heard. So blatantly.

Can we do a topic split or something? This has turned into a flame war.

lol, I think it started out as one.

Everyone is entitled to their opinion, NOT:

"Everyone is entitled to ACK's opinion"

I don't mean disrespect to ACK, but blatantly saying that someone's work sucks is very much the wrong thing to do.
