Subject: The images on n00bstories.
Posted by Nodbugger on Sat, 20 Dec 2003 20:06:30 GMT

Sir PhoenixxIf you've posted them on these forums or somewhere else just search for the post and copy/paste the url from it.

(Maybe they can create a temporary gallery with a small thumbnail of every image and have people find theirs that way...)

That would be good. Just have a community image gallery with all the pictures.
