Actually, yes, I've spoken with many people who were basically brainwashed into thinking that I'm evil and out to destroy the world, just because someone doesn't like me.

Then I talk to them on AIM or something, and they go "Wow, you aren't the big evil person everyone always makes you out to be."

Here's an example, from a while ago:

Subject: eh

oh btw:

doasux0rz = me (imortalfu, LTI mortal), irsux0rz = icefox121, CptSpock = Spocker69, slaughtered = uh slag, chasgn1 = uh we really dont know, and you = welcome to fuck around with us whenever you want we usually dont screw around as much, just spocker was drunk, ice was bored and i was tired. if the pits ever opens up again and i see you in there, il make sure to get you on my teamspeak, my teamspeak is ***** and has no password and for the most part is pretty busy. but i just wanna tell ya that nobody wanted you in the teamspeak except me, and now we all think your not such a prick like everyone makes you out to be, and on behalf of us who were not drunk or high, or in punkkills case, stubborn, we apoligize. well im tired and going to sleep, you can add me to MSN if you use it, im *****@hotmail.com. Hope to play with ya again.
