^^BUMP^^ Seriously...this should be in the Mod Forum. BUT...this is serious...we really do want to do this mod, and we need help. As of now...I'm just a guy with an idea, I need to learn to mod and need people to help with the modding. Please go to the Renegade Unlimited site @ <http://cncgen.ttnetwk.com/jball/cncunlim>. We need ur help. Thank You.
