isn't Renegade suppose to take place in the Tiberian Dawn Era? i read it somewhere awhile ago anyways, that they planned to make this 1st of all when they were developing C&C original and that in one of the cutscenes of Renegade they actually show one of the C&C Tiberian Dawn Missions.(it's the one where havoc "'liberates' a havorcraft." and i also believe that the used that same level as a reference to show how C&C Tiberian Dawn and C&C Renegade were the same in a way, in the preview of it any way.
