Subject: !vote map <mapname> is not working
Posted by zunnie on Tue, 03 Feb 2004 09:19:42 GMT

I know how the syntax is. No matter how i put it,

!vote map C&C_Field.mix
!vote map C&C_Field
!vote map Field

!votenextmap C&C_Field.mix
!votenextmap C&C_Field
!votenextmap Field

None of them work...
